Designer Options

EF30 - Clean Face Electric Fireplace

A clean face modern electric fireplace that looks great in both a mantel or drywall installation! The superior flame image and natural looking log set truly reflects the appearance of a real burning fire. Tinted reflection panels give the illusion of a deeper, larger firebox. The three stage heater and WHISPER QUIET™ fan, which can be conveniently thermostatically controlled, provides a warm, comfortable environment.

Available with realistic log ember bed...

... or available with Napoleon's exclusive CRYSTALINE™ ember bed

Napoleon® Exclusive Features

- Available as a firebox only or complete with a mantel package
- Two models to choose from - exclusive CRYSTALINE™ ember bed (EF30G) or realistic burning logs (EF30)
- 5000 BTU's/1500 watts
- Easy installation in both a mantel or in drywall
- Offers an open view of the fire with it's luxurious pewter finish and modern frame design
- Tinted reflective panels give the illusion of a deeper, larger firebox
- Adjustable ember bed and flame control
- 3 stage WHISPER QUIET™ fan and heater with thermostatic control keeps your comfort level exactly where you want it
- Easy access on/off switch
- Comes complete with a convenient remote that controls (with 7 different adjustments) the flame appearance, the ember bed intensity as well as the three stages of the heater output
- Operating with or without heat allows you to enjoy your fireplace all year round
- Prewired for optimal wall mount thermostat installation
- Four extra light bulbs are included
- Perfect for any room in a house, apartment, condo, office or spa
- Go Green with Napoleon® - no emissions, no pollution, 100% energy efficient

Casaloma™ EF31 - The Complete Package

The Casaloma™ electric fireplace imitates the look of a traditional masonry fireplace but with all the convenience of simply plugging it in, sitting back and enjoying the radiant glow! Napoleon's patented Flamation™ technology randomly adjusts the flame effect, height & speed creating the illusion of a true wood burning fire. Finely detailed Phazer® logs, glass front and flush face design add to the traditional masonry look and feel. Available as a single unit or complete with a cabinet package in flat wall or corner style. An irresistible choice for any house, condo or apartment.
